Please be advised that your Bargaining Committee met with the Company again from February 15<sup>th</sup> - 17<sup>th</sup> 2012 to finalize the non-monetary items and to address our financial proposals. Your Committee has reviewed, addressed and corrected many of the issues that are affecting the membership at the workplace.

The Company is in receipt of our financial proposals and needs some additional time to adequately cost them out before they are prepared to respond to them.

Once again, your Bargaining Committee is not yet at liberty to release any of the proposals that have been discussed thus far at the bargaining table, thus I strongly urge the membership to refrain from asking your committee about any details related to this round of bargaining.

We are optimistic that the Company will reasonably address our financial proposals in a timely manner. Your Committee wants to have a Tentative Agreement within the next month that the membership can vote on.

Please be advised that Swissport recently changed insurance providers from Desjardins to Sun Life. All full-time employees are urged to contact Steve Lamont to ensure they have the new required benefit information. All new full-time employees must complete a benefit enrolment form and return it to Steve Lamont ASAP in order to be put on the benefit package.

Further bulletins will be posted in order to keep the membership advised as to the status of your negotiations.

Your Negotiating Committee greatly appreciates your cooperation and support!

In solidarity,

Michael Corrado  
General Chairperson
