**To: The Membership at Consolidated Aviation**  
**Re: Status of Negotiations**

Your Negotiation Committee met with the Company all of last week (January 9<sup>th</sup> to 13<sup>th</sup>) for the purpose of face-to-face negotiations.

The parties dealt with most of the non-monetary matters and have agreed to meet again over the next short period of time to address the monetary items.

Your Bargaining Committee is not legally at liberty to release any of the proposals that have been discussed thus far at the bargaining table, thus I strongly urge the membership to refrain from asking your committee about any details related to this round of bargaining.

The last thing we need is to have rumours circulating around the shop floor and a complaint made to the Labour Board that the Union is not bargaining in good faith.

Your committee will keep you further informed as things progress and where required.

In solidarity,

Michael Corrado  
General Chairperson
